but for that animal their world is changed forever.

THE IMPACT CDCH HAS HAD ON OUR COMMUNITY

So far this year we have found loving new homes for **94 animals** with the help of our rehoming team!*

40% of these animals came in via the RSPCA

Animals signed over into our care from the RSPCA have often suffered the worse case of neglect resulting in large vet costs.

58% came in via the general public

An animal may need our support through no fault of its carer. We understand that situations change and we are here to help.

2% were once stray animals

After a longer than average stay with us (50 days on average), we were able to rebuild trust with these animals and find them their perfect forever home.

***all figures are up to 19/05/2022**

This year, we have launched a new scheme called 'The CDCH Pet Retreat Scheme'.

The CDCH Pet Retreat Scheme is a pet fostering service for individuals fleeing domestic abuse or facing other life-changing events by providing support and care to their pets while they are temporarily unable to. Our project offers a solution to a vulnerable situation and enables an individual to flee to safety or undergo lifesaving urgent treatment.

A huge thank you to The Police & Crime Commissioner's Fund for Gloucestershire for being the main funder for this project.

FREE WILLS MONTH

We are offering you the chance to write your will for free throughout June.

The Cotswolds Dogs & Cats Home wouldn't be here today without the kindness of animal lovers who decide to leave a gift in their will. After providing for your loved ones, by leaving even just 1% of your estate to the Cotswolds Dogs & Cats Home, you could make a life changing difference to vulnerable animals for years to come.

Don't put it off any longer and find out how to book your appointment. Scan the QR code or visit our website and click '**Events**'.

PEPPA IS SEEKING HER FOREVER HOME

Peppa came into our care via the RPSCA. She was very nervous when she first came in so we knew from the start that it was going to take lots of time and patience to gain Peppa's trust.

Lauren, Peppa's best friend here at The Cotswolds Dogs & Cats Home, has loved getting to know Peppa and providing her the best love and care possible. Lauren knows how important it is to find Peppa's forever home as soon as possible so she can settle into her new life.

'Peppa enjoys the majority of activities outside of her kennel. Her favourite things to do are cuddling up on the sofa and playing with tug toys! From our first enrichment session, Peppa thoroughly enjoyed scent training and she learnt many tricks such as 'down', 'paw' and 'middle'.'

'She loves going on long walks with her doggy friends and tries to play with them throughout the walk.'

To adopt Peppa, you can view her rehoming profile on our website by clicking '**Adopt**'.
